

Dear Mums, Dads and Carers      Newsletter 5

January 2020

Welcome back we hope you had a happy Christmas and New Year break-though it seems along time away now!. A particular welcome goes out to all the new families whose children have started nursery this month. We look forward to working with you in caring for and educating your child.

**Fund Raising Meeting Thursday 6<sup>th</sup> Febraury 7.30PM in The Red Lion Pub Wareham**

You should have all had a letter informing you of the future of Stoborough Nursrery and our move to new premises. To ensure this is successful nursery will need to do some major fund-raising and will need the help of many people. Therefore, we are having a meeting next Thursday at the Red Lion Pub Wareham to discuss ideas. We are looking for people who can help us in anyway. So, if you believe you are able to help please come along. If you are able to help but are unable to attend the meeting please tell a member of staff.

**Easy Fund Raising**

This is one way parents can help.as Nursery is registered to take part in this scheme. This scheme involves registering with the company and using their website to access other websites to buy goods from a range of reputable retailers. Please see attached for more details.

**WellComm Speech and Language Toolkit**

We have decided to implement the WellComm Screening Toolkit to support all children’s speech and language development. This tool kit will enable us to have a clearer picture of any help that is need by individual children. The toolkit also provides a range of customized intervention activities to help support children’s language development. These ensure every child gets the support they need. Working closely with parents is critical to the success of WellComm so, your key person will be speaking to you all about your child’s level of development and may share fun activities that can be continued at home. To be able to complete the monitoring with your child please complete and return the attached permission slip.

If you would like a hard copy of any of the attached forms please ask a member of staff.

Thank you for your continued support.

Stoborough Nursery Staff
